

New Church Development Training for Presbytery Teams

September 21-24, 2009

Discern the **core values** and **plans for ministry, outreach and leadership** for starting a church today. The “New Church Development Training for Presbytery Teams” event at Riverside Presbyterian Church will focus on the third task of *Starting New Churches: A Process of Discernment-- Developing a Mission Plan*.

Who Should Attend?

Presbytery and Church Teams working to start a new church. We **strongly encourage** that the entire team attend this event.

Teams who have at least 3 people will receive the added benefit of working with a coach on your projects during all of the break-out sessions.

What Will We Learn?

This period of training and discernment will not present “the only way” to start new church but will rather explore the many possibilities for starting new churches for the people God has placed on your hearts. Teams will go on area site visits and will hear from presenters with a wide variety of experiences and contexts.
